POWER DEPARTMENT
KAZI ROAD GANGTOK

This is to certify that M/s Procetech India , System Integrator of Masibus Process Instruments Pvt. Ltd , Gandhinagar and Citect Australia has implemented SCADA system for our 2 x 6 MW Hydro Electric Plant at LLHP , ranipool. The order was executed on behalf of Ms Associated Elelctrical and construction Company (1963) Pvt Ltd. The system is based on Sixnet RTUs and Citect SCADA software. The system has been implemented sucessfully and had been working for last 12 months without any down time.

We are thankful to Procetech India for their sucessful design and proper choice of products for our system
